## SCHEDULE YOUR PICK-UP – GMWA NATIONAL TRANSPORTATION

---

### Welcome Delegate to Atlanta, GA!

Thank you so much for fellowshiping once again with your GMWA Family this year. The National transportation team has worked hard to ensure that your transit needs are met during this year's convention.

This letter also serves as reminder of your Request for Transportation from the GMWA Courtesy Team. To schedule a pick-up with our team, share special needs such as needing a scooter or vehicle with lift (by June 15<sup>th</sup>) please click on the link below:

As done in the past we have worked diligently to be fair in courtesy prices and they are listed below. Please do not exchange funds in or around the airport location AT ALL. Your drivers will collect once they have left the airport.

#### Arrival/Departure:

- **\$20.00 each way** to and from the Airport, Megabus & Amtrak to your hotel

#### Around the City:

- \$3.00 per person for travel up to 5 miles each way
- \$5.00 per person for travel 6 to 10 miles each way
- \$10.00 per person for travel over 10 miles each way

It is indeed a pleasure for our Team to serve you again this year! Please do not hesitate to communicate with us at any time during your stay in Atlanta.
