

GMWA Children's Choir

July 14 -July 20,2018

Procedures for Atlanta, GA.

This year we are asking parents to fill out a registration form when they bring their child on Monday. This will help us tremendously in case there is an emergency.

All children should have an emergency medical form filled completely out and turned into us on Monday. These forms can be obtained from your Chapter Representative or email Sis. Christine Brown cb@gradcincinnati.org.

There will be a sheet for you to sign your child in and out each day.

Please pick your child up promptly at 3:30 p.m. Monday-Thursday. We will give updates and valuable information for the week during this time. Also after each scheduled performance on Wednesday, Thursday and Friday. (See Below).

A supervisor or designated person from your chapter is asked to stay in the rehearsals with the children. Anyone interested in assisting with the Children's Choir see Sis. Christine Brown.
