

Women's Division Info

1. **Uniform** – The uniform for 2019 is Royal Blue Suits or Dresses, with Silver accessories. Corsages and handkerchiefs will be \$10.00 each.
2. **Music packs** will cost \$30.00. Please come prepared to purchase the music. We are blessed to have the bound copy of our music. Help us sell them all by purchasing yours!!!! Also, music may be purchased online!
3. **Ladies**, we want to award scholarships to deserving young members in your chapters. Please check the GMWA website and click on the link for Women's Scholarship. Fill in the application and submit to our scholarship committee. Please have someone in your chapter apply!
4. **The Hatters' Tea Affair** will be better than ever. We will be offsite again this year. We are working on transportation. The tables are \$320.00 or \$40.00 per person (8 seats per table). We are late getting the tickets out, but we seriously need your help. If your chapter did not receive tickets, please call Pearlie Brantley at 318- 820-5675. We would like for each chapter to get a table. Our Theme this year is: "Praising with a Purpose" – Psalm 138:1-3. Our speaker is Mr. Carlos Mavins (a former scholarship winner). Honorees this year are Carol Bell, Pamela Jean Davis and Elder Timothy Thompson. Our guest artists are the McDonald Sisters, and the Angelic Shaw Sisters.
5. We would like for each chapter to join in the MS GMWA contest. Congratulations to the Birmingham Chapter whose Queen, Jessie Shepherd, was crowned MS GMWA last year. For years now it has been Birmingham, Houston, and Montgomery competing and we are thankful to the hapters who gave donations. Please represent, (please, at least bring us a donation from your chapter), this helps us fund our scholarships.
6. **Remember ladies**, our first rehearsal is on Sunday after Communion. We are looking forward to seeing you there. Bring a friend and help boost our membership. We expect all women in the Workshop to come and register with us.
7. **Ladies**, don't forget to take charge of your health. Eat properly (more fruits and veggies, less salty and sugary snacks), drink plenty of water, exercise (walk) at least 30 minutes a day, remember to do your self-breast exams and get your mammograms done. We can eliminate many of the diseases that are plaguing our communities by changing our lifestyles. So let's start eating right and let's get moving!!!!!!!!!!!!

Let's make this the greatest convention ever, we can if we get started now! God Bless and see you on July 27.

Much love,

**Eloise
